

United States District Court

DISTRICT OF SOUTH DAKOTA

LR 57.2 AVAILABILITY OF ELECTRONIC RECORDINGS

If a proceeding has been recorded electronically and the electronic recording constitutes the official record, the clerk of court will arrange, upon the request of any party, to have a transcript prepared from the electronic recording. The requesting party will be responsible for any costs associated with producing a transcript in accordance with the directives of the Administrative Office of the United States Courts. Recordings will not be released to parties or the public.
