In addition, it is helpful to the Court when the caption of your document corresponds as close as possible to the final docket text. Selecting the correct event in CM/ECF and making sure selected dropdown fields are accurate will help ensure that your document title is consistent with what will appear on the Court’s docket sheet. In some instances, you have the ability to type and change the text to match the document.

Reminder. The Court will be closed on Monday, June 19th in observance of Juneteenth National Independence Day. The Court will also be closed on Tuesday, July 4th in observance of Independence Day.
